### § 602.8 Appeals.

(a) *How to appeal.* You may appeal a total or partial denial of your FOIA request within 30 calendar days of the date of the denial letter. Your appeal must be in writing and addressed to the Director, Office of Management Services (OMS), Farm Credit Administration. You may send it:

(1) By mail to 1501 Farm Credit Drive, McLean, Virginia 22102-5090;

(2) By facsimile to (703) 893-2608; or

(3) By E-mail to [foiaappeal@fca.gov](mailto:foiaappeal@fca.gov).

(b) *FCA action on appeal.* Within 20 business days of receiving your appeal, the OMS Director will tell you, in writing, whether we have granted or denied it. If you send your appeal to the wrong address, the 20-day response time will not begin until the OMS Director receives your appeal.

(c) *Unusual circumstances.* In unusual circumstances, the OMS Director may extend the 20-day response time by telling you in writing why we need more time and the date we will mail you our response. All extensions, including any extension of the response time for the first request, may not total more than 10 business days.

### § 602.9 Current FOIA index.

FCA will make a current index available for public inspection and copying, as required by the FOIA. We will give you an index for the cost of copying it. Because we rarely receive requests for an index, we have not published one in the FEDERAL REGISTER.

For a commercial use request, it also means the costs we incur in reviewing documents to respond to the request. They do not include overhead expenses.

*Noncommercial scientific institution* means a nonprofit institution that conducts scientific research that is not intended to promote any particular product or industry.

*Pages* mean 8-1/2 × 11 inch or 11 × 14 inch paper copies.

### § 602.11 Fees by type of requester.

Depending on your identity and the purpose of your request, the FCA may charge you the direct costs of searching for responsive records, reviewing the records, and reproducing them. If necessary, we will seek clarification before classifying the request.
